

Children's Safety and Health Notice

1. We appreciate that your child's bag may be used on days when they are not at childcare. For the health, safety and well-being of all children attending the Centre, can you please check the contents of your child's bag and ensure that the following items are not taken to the Centre:

- Cigarettes
- Cigarette lights
- Creams
- Headache tablets
- Medications (including Tylenol & Anbesol)
- Poisons
- Safety pins, rubber bands, hair clips, etc.
- Cell phones
- Cosmetics
- Plastic bags
- Any other item that could potentially cause harm to a child

Please ensure you close all gates behind you at all times and be especially conscious of safety and children when in the parking areas.

It is a legal requirement that each child is signed in and out of the Centre on a daily basis.

Thank you for your assistance to help us provide a safe environment for all children at the Centre.

Parents must apply sunscreen to their child/children prior to arriving at the Centre in the morning. Sunscreen should be applied 03 minutes prior to outdoor play. Staff will apply/reapply sunscreen 30 minutes prior to the outdoor playtime.

Sunscreen is to be provided by the parent for each child and clearly labelled with the child's name.
